ENCYCLICAL LETTER

## ANNUAL ASSOCIATION OF CATHOLIC SCHOOL PRINCIPALS NSW STATE CONFERENCE

The Annual Association of Catholic School Principals NSW State Conference was held last week at Cessnock. With the Maitland Newcastle Catholic Schools Principals Association being a key driver of this conference, there was a diverse range of Internationally acclaimed educational speakers that challenged us to continue to reimagine learning in the 21<sup>st</sup> century. With St Bede's being committed to offer-

ing a quality contemporary education where student engagement and learning effectiveness will go hand-in-hand, the Conference reinforced the contemporary approach we will be adopting at St Bede's next year.

*"Our efforts at education will be inadequate and ineffectual unless we strive to promote a new way of thinking about human beings, life, society and our relationship with nature."*

## NATIONAL RECONCILIATION WEEK

### PLANS FOR NEXT YEAR

We look forward next year to celebrating and engaging in a range of activities aimed at building upon the respectful relationships shared by Aboriginal and Torres Strait Islander people and other Australians.

In acknowledging the traditional landowners of this land and the land of the nearby surrounding areas, including the Wonnarua and Awabakal people, and in paying respect to their past and present Elders, we acknowledge that this is National Reconciliation Week (NRW2017). The theme for this year is 'Let's Take the Next Steps'. 2017 marks two significant anniversaries in Australia's reconciliation journey – 50 years since the 1967 referendum, and 25 years since the historic Mabo decision. As we commemorate these significant milestones, we ask all Australians to be a part of the next big steps in our nation's reconciliation journey.
