PURPOSE

A uniform dress code reinforces in students a pride in their own appearance, instils recognition of themselves as an integral part of the school community, and assists in developing pride in representing their school. Issues of equality, health and safety, and expense are also factors that contribute to the establishment of a uniform dress code.

The uniform worn by students is an integral dimension of our College's unique identity. The proud wearing of the College uniform, as per the requirements set out in this policy, is a statement of our high standards. In being true to the College's Mission Statement and in building a tradition of excellence and inclusivity, it is expected that all students wear their uniform proudly and to comply with guidelines defined within this policy.

AIMS

- Promote equality, pride and a sense of belonging amongst all students.
- Give meaning and expression to the College's mission statement and visual identity.
- Provide a functional, fashionable and durable uniform that is cost effective and practical for our school environment.
- Give visual expression of the high standards of the College in gaining and maintaining community trust and respect.

SCOPE

This policy applies to all students, with an expectation of full support from all staff and parents.

IMPLEMENTATION

- Guidelines for both the uniform and grooming will be explained to parents at meetings, in written correspondence, in the enrolment interview and published on the College Web-site and in Student Diaries and Newsletters.
- Regular reminders to parents on uniform and grooming requirements will be published in College Newsletters. Students will also receive regular reminders at school.
- Uniform and grooming checks will occur on a regular basis. Students who do not comply with expectations may face disciplinary action.
- Parents are requested to provide a note of explanation if their child is unable to wear the expected uniform on any day for any reason.
- Families who are struggling financially may apply for assistance in providing a uniform for their child by contacting the Principal or Assistant Principal.
- College Uniforms are essentially purchased on-line via a link on the College website. Periodic fitting times are organised and published by the College. A small amount of stock of some restricted garments are available in emergencies but essentially all purchases are to be made directly online with Williamson.
- Parents seeking exemptions to the Uniform Dress Code due to religious beliefs, ethnic or cultural background, student disability, health condition or economic hardship must apply in writing to the Principal. The Principal's decision is final.
- The Principal will decide on any changes to the uniform after consultation with the school community.
- Students are expected to wear the correct uniform at all times and in a manner which enhances the positive image of the school in the community.
- Homeroom teachers are responsible for the daily checking of uniforms. They are responsible in the first instance for dealing with breaches of the Uniform Dress Code.
- Leaders of Wellbeing and Engagement will deal with persistent breaches of the Uniform Dress Code in accordance with the College's Pastoral Care Policies.
- The Principal and Assistant Principals have the authority to contact parents/carers when necessary and request that they collect their child from school, correct the breach of the Uniform Dress Code and return the child to school once this has been done.
