

FEES SCHEDULE 2023

School Account Charges

Catholic Primary and Secondary Schools in the Diocese of Maitland – Newcastle provide an affordable option for parents seeking a Faith perspective for their children's education.

Catholic Schools collect school fees because there is a gap between the amount of government funding received and the cost of running a Catholic School. Although Catholic Schools must charge tuition fees and levies to supplement government funding, fees and charges are kept at a level that is affordable for most families. School Accounts contain four main components: Fees, levies, costs and excursions.

Tuition Fees

The Diocesan Tuition Fee is set each year by the Bishop on advice from the Diocesan Catholic Schools Board. The school retains a portion of this fee to assist with operating costs. The balance is returned to the Catholic Schools Office to assist with the payment of salaries, workers compensation, public liability, student accident insurances and operating costs.

Annual Fee:

Years 7 to 10	\$1,882
Year 11 to 12	\$2,860

Levies – Diocesan Family & Building Levy (DFSBL)

The DFSBL is a Diocesan charge per family and is collected by the school at which the eldest student in the family attends. The income from the levy contributes to the capital and maintenance costs of the facilities in the schools and to support the Diocese in its mission services.

The levy of **\$1,517 per family** per annum is collected by the schools.

Curriculum Resource Costs

The resource costs are set by each individual school. This single consolidated fee is used to pay for school resources, education activities, subject charges, incursions, Friday sport costs and amenities.
